Dolphin Caravan Park

Quiet, select retreat...

Private access to miles of golden sands...

Superb position...

Dolphin caravan park is in an enviable position set on the doorstep of Brean and with direct private beach access to miles of golden sands. Walk through our gates and you will immediately relax in the tranquil atmosphere that we are renowned for.

No unwanted intrusions...

We cater for families and couples who want a quiet, relaxing park with no unwanted intrusions but who can step out of our gates into the heart of Brean where an endless variety of entertainment and amenities are on offer.

The Family...

We are a family run park in the true sense of the word. The owners Pat, Michelle or David will be here personally to give you the warmest of welcomes when you arrive. We take a great deal of pride in the presentation of the park and have an enviable reputation of providing a top class retreat for all the family in beautifully maintained, peaceful surroundings.

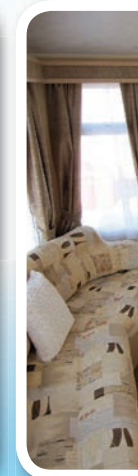

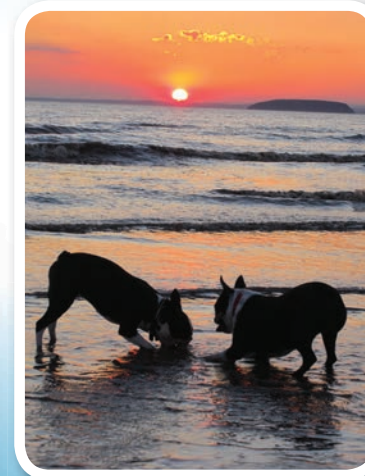

Private beach access...

The glorious sandy beach stretches for seven miles from Burnham-on-Sea to Brean Down, one of the landmarks of the Somerset coast, which offers an enjoyable walk to a nineteenth century fort to be explored and fabulous views over the channel and the bay of Weston-super-Mare.

Children...

While you soak up the sun in the Picnic/ BBQ area, your children can stimulate their imaginations in our adventure play area and with our private access to the beach they can enjoy running freely in the sand dunes, building sand castles or engage in more active pursuits such as beach games, horse riding, kite flying or crabbing.

Dogs...

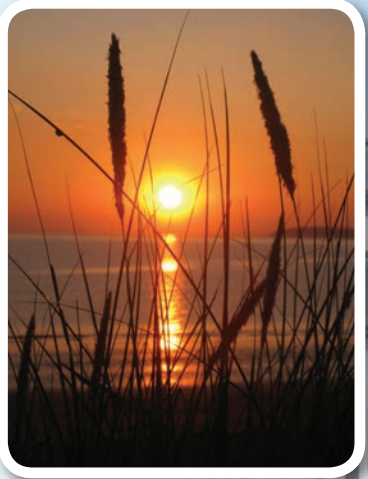

Small canine friends welcome by prior arrangement only.

A warm welcome awaits...

Family Entertainment...

Brean leisure park is almost opposite with its swimming pool and aqua slides, fun fair rides and amusements, open air markets and 18 hole golf course. Other attractions include Animal Farm and a Pirates Crazy Golf course just a short distance away, plus much, much more. Why not try the family run Breakers Bar next door with its friendly atmosphere offering family entertainment and good food.
